

GMP CERTIFICATE OF MANUFACTURING FACILITY

No. MI-01112004-CE-000173-1

Thorne Research Inc of 25820 Highway 2 West, Dover, Idaho 83825 United States Of America, has been subject to audit by officers of the Manufacturer Assessment Branch, Therapeutic Goods Administration (TGA).

From the knowledge gained during the last audit, which was conducted on 21, 24-25 September 2007, it is considered that the company has an overall acceptable level of compliance with the current Australian Code of Good Manufacturing Practice for Medicinal Products.

The company carries out the manufacture of listable medicines in the form of non-sterile powders, hard shell capsules and liquids, which were included in the above audit for supply to Australia.

This certificate must not be reproduced except in full. It remains the property of TGA and must be returned upon written demand.

This certificate remains valid, provided that re-audits are conducted when scheduled by the TGA.

Expiry Date: 25 March 2010

Date: 18/06/2008
