Boswellia standardized to Beta Boswellic Acids 20%.  
Harpagophytum standardized to Harpagosides 1.8%.

240 Vegetarian Capsules

Code: SF774

### Allergy Warning

This product is contraindicated in an individual with a history of hypersensitivity to any of its ingredients.

AR-Encap contains an ingredient derived from shellfish.

AR-Encap contains curcumin phytosome, a plant extract complexed with phosphatidylcholine, which is derived from soy. Phosphatidylcholine contains no soy protein. There are no other soy-based ingredients in AR-Encap.

### Pregnancy Warning

If pregnant, consult your health-care practitioner before using this product.

### Interactions

Curcumin has been shown to reduce the therapeutic efficacy of cyclophosphamide (Cytoxan) in animal studies. *In vitro* research revealed that curcumin decreased camptothecin-induced death of cultured breast cancer cells. Curcumin might also interfere with the absorption and efficacy of the chemotherapy drug irinotecan, used to treat colon cancer. The concurrent use of curcumin with these agents should be avoided.

### Purity

This product does not contain wheat, gluten, corn, yeast, egg, dairy products, or artificial colors, artificial sweeteners, or artificial flavors. This product also does not contain lactose, palmitic acid, magnesium stearate, or stearic acid.

### Suggested Use

Take 4 capsules one to two times daily or as recommended by a health-care practitioner.

### Additional Notes

\*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
