Allergy Warning

This product is contraindicated in an individual with a history of hypersensitivity to any of its ingredients.

Pregnancy Warning

If pregnant, consult your health-care practitioner before using this product.

Interactions

Betaine HCl & Pepsin should not be used concurrent with H2-blocking drugs and proton pump inhibitors because these drugs are intended to block the production of stomach HCl.

Additional Warnings

Betaine HCl & Pepsin should be used with caution in an individual with a history of a peptic or duodenal ulcer.

It is not recommended to remove the Betaine HCl & Pepsin powder from the capsule to take orally, as it can be irritating to the oral mucosa.

Purity

This product does not contain wheat, gluten, corn, yeast, soy, egg, dairy products, or artificial colors, artificial sweeteners, or artificial flavors. This product also does not contain lactose, palmitic acid, magnesium stearate, or stearic acid.

Suggested Use

Take 1 to 2 capsules with each meal or as recommended by a health-care practitioner.
