### Allergy Warning

This product is contraindicated in an individual with a history of hypersensitivity to any of its ingredients.

### Pregnancy Warning

If pregnant or nursing, do not use this product.

### Interactions

There are no known adverse interactions or contraindications at publication date.

### Additional Warnings

As with all detoxification regimens, proper intestinal elimination is essential. A person should be having at least one healthy bowel movement daily. An individual who is constipated should not supplement with Liver Cleanse because the toxins released into the bile may be reabsorbed.

### Purity

This product does not contain wheat, gluten, corn, yeast, soy, egg, dairy products, or artificial colors, artificial sweeteners, or artificial flavors. This product also does not contain lactose, palmitic acid, magnesium stearate, or stearic acid.

### Suggested Use

Take 1 capsule one to three times daily or as recommended by a health-care practitioner:
