Allergy Warning

This product is contraindicated in an individual with a history of hypersensitivity to any of its ingredients.

Meriva-SR contains curcumin phytosome, a plant extract complexed with phosphatidylcholine, which is derived from soy. Phosphatidylcholine contains no soy protein. There are no other soy-based ingredients in Meriva-SR.

Pregnancy Warning

If pregnant, consult your health-care practitioner before using this product.

Interactions

Curcumin has been shown to reduce the therapeutic efficacy of cyclophosphamide (Cytoxan) in animal studies. *In vitro* research revealed that curcumin decreased camptothecin-induced death of cultured breast cancer cells. Curcumin might also interfere with the absorption and efficacy of the chemotherapy drug irinotecan, used to treat colon cancer. The concurrent use of curcumin with these agents should be avoided.
