Allergy Warning

This product is contraindicated in an individual with a history of hypersensitivity to any of its ingredients.

Supportive Care contains green tea phytosome, a plant extract complexed with phosphatidylcholine, which is derived from soy. Phosphatidylcholine contains no soy protein. There are no other soy-based ingredients in Supportive Care.

Pregnancy Warning

If pregnant, consult your health-care practitioner before using this product.

Interactions

There are no known adverse interactions or contraindications at publication date.

Additional Warnings

Vitamin C can cause diarrhea in some individuals in large doses, which can vary from person to person and resolves when the amount is reduced.

Purity

This product does not contain wheat, gluten, corn, yeast, egg, dairy products, or artificial colors, artificial sweeteners, or artificial flavors. This product also does not contain lactose, palmitic acid, magnesium stearate, or stearic acid.

Suggested Use

Take 7-14 capsules daily or as otherwise directed by a health-care practitioner.

Additional Notes

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
