90 Vegetarian Capsules

Code: SF782

### Allergy Warning

This product is contraindicated in an individual with a history of hypersensitivity to any of its ingredients.

Toxic Relief Booster contains curcumin phytosome, silybin phytosome, and grape seed phytosome, plant extracts complexed with phosphatidylcholine, which is derived from soy. Phosphatidylcholine contains no soy protein. There are no other soy-based ingredients in Toxic Relief Booster.

### Pregnancy Warning

If pregnant, consult your health-care practitioner before using this product.

### Interactions

Curcumin has been shown to reduce the therapeutic efficacy of cyclophosphamide (Cytosan) in animal studies. *In vitro* research reveals curcumin decreased camptothecin-induced death of cultured breast cancer cells. Curcumin might also interfere with the absorption and efficacy of the chemotherapy drug irinotecan, used to treat colon cancer. The concurrent use of curcumin with these agents should be avoided.

### Purity

This product does not contain wheat, gluten, corn, yeast, egg, dairy products, or artificial colors, artificial sweeteners, or artificial flavors. This product also does not contain lactose, palmitic acid, magnesium stearate, or stearic acid.

### Suggested Use

Take 1 capsule three times daily or as recommended by a health-care practitioner.
